

Dear Mr. Haslett,

We would like to thank you for installing and re gassing our aircons, That Mrs Waite donated to Rape Crisis.

What a huge donation and we are so grateful to you and your staff. I must commend you on your amazing staff, they are so pleasant and helpful. The one aircon was installed in our examination room and the other in our wendy that's a counselling office. What a pleasure it was for client and counsellor this week when it was so hot.

It is people like you that make our work so worthwhile. Thank you for your kindness and blessings for the new year.

Regards,

Reinette
